

Web Publishing Release Form

Release Form for Student Work

The Homedale School District sometimes includes work by students on our web site. Work by your student has been chosen for possible inclusion so we are requesting your permission to publish your student's work.

The form below will be used to document your permission. The school will complete the upper portion. A parent or guardian must give permission for students under age 18. Students over 18 may give permission themselves. You may decline permission to have your/your student's work published for any reason.

Please complete the form, sign it, and return it to your student's teacher within 10 days.
